

We welcome volunteers who can visit our Book Room at pre-arranged times to unpack boxes of incoming (gently used) books. Books are assessed for cleanliness, damage or scribbling, and attractiveness (would a child want to pick up this book?), then sorted by grade level. We offer a relaxed, inquisitive, and productive atmosphere.

*The Book Room is located at 601 Yale SE, a couple of short blocks south of Coal Ave, in the southeast quadrant of the sprawling City Transit (Mayor David Rusk Bldg) Maintenance Facility. It is north of Cesar Chavez Blvd and **immediately north of the Quarters package liquor store**, on the west side of Yale. Map Apps don't know about our entrance, so print this page before you come, and **watch for the yellow water hydrant across from the cemetery**.*

We all park directly in front of the three southern-most LARGE BLUE bus garage doors on the west side of Yale Ave, directly across from the cemetery. If the glass door near the blue metal staircase with yellow "Fire Exit" sign is not open, please knock.

Thanks very much for your support!
